(j) When the Board or Committee shall be of opinion that the articles of charge, or any of them, are not proved with sufficient clearness and precision, the Board or Committee may, in their discretion, require the case to be amended, and may thereupon, on the application of the complainant or the medical practitioner concerned, adjourn the inquiry for such time as they may consider reasonable. The Board or Committee may also, if they think fit, adjourn the inquiry from time to time, on the application of either the complainant or the medical practitioner concerned, on the ground of sickness or unavoidable absence of any witness or any other cause as they may consider reasonable. When such application is made and refused, the Board or Committee shall record the application and their reasons for refusing to comply with it.

(viii) (a) When there is no complainant, or no complainant appears, the proceedings shall begin by the Secretary reading to the Board the notice of inquiry addressed to the medical practitioner concerned and the articles of charge and stating the evidence by which the articles of charge are supported.

(ii) If the Board or Committee by a majority find the medical practitioner guilty of professional misconduct, the President shall direct the Secretary not to register the name of the medical practitioner for registration at its place his name as before for a specified period from the register of medical practitioners if he is already a registered practitioner, except in cases where the Board or Committee consider that in view of extenuating circumstances the practitioner may be let off with a warning.

(iii) Where the registration of the name of any medical practitioner is refused or where the name of any registered medical practitioner is removed from the register in accordance with the provisions of the preceding rules, the Secretary shall forthwith send notice of such refusal or removal to the medical practitioner concerned, and such notice shall be sent by a registered letter addressed to his last known address. STATEMENT OF OBJECTS AND REASONS.

The Despatching Inland and Ports Act, 1934 (Act II of 1935), was not made applicable to transit under the Indian (Foreign Exchange) Order in Council, 1935. By the Despatching Inland and Ports (Amendment) Act, 1935 (Act VI of 1935), sections 4B to 4D and not in 5A, conferring power on the Central Government to regulate or prohibit transport from passing the provisions of customs or excise laws in transit collection in cargo, were added to the Act. In order that these new provisions may, if necessary, be used to control the transport in or from those of goods or articles likely to cause taxation and a new enactment in this matter is absolutely desirable. It is proposed that the whole Act should now be made applicable to transit by legislation for this purpose.
